

# Big Rapids Weston A. Price Group

Who is Weston A. Price and what is it about? For additional information you can go to [www.westonaprice.org](http://www.westonaprice.org).

Get/grow/eat fresh, pure, nutritious, unprocessed, chemical free, whole food as designed by God/Nature to support good health & vitality.

## Why Go?

To connect with people that produce & provide local, and more importantly, **chemical free** food that can & will nourish & heal you.

To gain wisdom/insight; to get the real facts; to be awakened to vital things we all should know more about; like natural cures, etc.

To **ask questions, get answers and learn** from other people's questions and comments in **round table, informal, open discussion**.

## What's it like?

It's kind of like... **School** except way better! You'll learn something - and you'll actually even use it... Everyday... Not "someday".

Kind of like... **A J.O.B.** except you'll like going there, being there, meeting good people, and you'll look forward to going back again!

Like... **"Health Care"** except opposite! There's no need to be sick, in pain and at the mercy of the medical practice. Use "Self Care".
